## Female-led Innovation in Agriculture and Rural Areas

### Innovations

Discover the rural and agricultural innovation in FLIARA's diverse case study countries. Our project identified 200 innovations across Ireland, Netherlands, Germany, Sweden, Slovenia, Czech Republic, Romania, Italy, Spain, and Finland. Each innovator's journey is captured in a dedicated fact sheet, providing insights into their pioneering contributions to agriculture and rural development. Get acquainted with these remarkable individuals and explore the innovative solutions shaping the future of agriculture and rural areas.
